Lyrics and Music by Lucan Wolf Copyright 2003.

Bitten By Love

Your strange possession  
Obsessionâ€¦  
Is drawing you near  
Close to the Stranger  
Feel the danger  
Aroused with the fear

(Chorus)

Kisses like daggers  
The pain that you need  
You surrender your flesh to the Hunger  
And let it bleed  
Passion in the moonlight  
Seduction in the dark  
Bitten by Love now you bear the Mark

This loves' erotic  
Hypnotic â€¦  
The Thirst burns inside  
You feel it growing  
Always knowing  
It can't be denied

(Repeat Chorus)

Intoxicatingâ€¦  
Like nothing you've known before  
You drink from Red fountains of Lust  
And always want More â€¦
