Lord Of The Night

Twilight , Hunger comes you can't fight  
I know you are lonely  
Time is standing still

Wild one, When the night has begun  
You summon the only  
One who can fullfill

Whisper my name  
I will be there  
Dark is our love  
A secret we share

The Vampire's kiss  
Thrills you as it burns  
The Lord of the night  
Your sire returns

Trust me , Give yourself completely  
Welcome to forever  
Gaze into my eyes

I know your heart wants to let go  
We must be together  
As I hypnotize

Whisper my name  
I will be there  
Dark is our love  
A secret we share

The Vampire's kiss  
Thrills you as it burns  
The Lord of the night  
Your sire returns

Reality is contradiction  
Strange illusion  
Truth is fiction  
When day turns to darkness  
We make our connection  
Vampire lovers bleeding affection
