Vampire Nights

Towers rise like tombstones
Graveyard mountains summon me
Underworld of nightmares
Fortress of things that cannot be

Kingdom of monsters
With streets of shattered dreams

City of angels , City of devils
Forbidden pleasure , Wicked delights
Keeper of secrets , Blood on your treasure
Days of darkness , Vampire nights

Walking through this wasteland
Silent stranger , On my own
Vampire now prowling , Piercing the veil of the
unknown

Kingdom of monsters
With streets of shattered dreams

City of angels , City of devils
Forbidden pleasure , Wicked delights
Keeper of secrets , Blood on your treasure
Days of darkness , Vampire nights

Underworld of nightmares
Graveyard mountains summon me
I prowl among these monsters
I've seen things that should not be
