Spoken: "I'll be practicing in my mind"

wha-da-ba-ba-ba-ba-ba-ba-baaa  
Whoa-oh-oh  
catch the vibes... the reggae and the ragtime  
Whoa-oh-oh  
catch the vibes, catch the vibes  
Whoa-oh-oh  
Cause it's lucas with the lid off  
catch the vibes, catch the vibes  
Whoa-oh-oh  
Cause it's lucas with the lid off  
Zem, Zem,  
daZem, Zem  
daZow, Zem

Watch me now you hear me now  
Watch me go-oh

Whatever bubbles, bubbles up... (I feeeeeel)  
Come follow me around come follow me now (yeah,  
yeah-eah)  
Whatever bubbles, bubbles up... (I feeeeeel)  
Come follow me around come follow me now (yeah,  
yeah-eah)  
Whatever bubbles, bubbles up... (I feeeeeel)  
Come follow me around come follow me now (yeah,  
yeah-eah)  
Whatever bubbles, bubbles up... (I feeeeeel)  
Come follow me around come follow me now (yeah,  
yeah-eah)

I feeeeeel... so good

Zow, zow, zow

Watch me go-oh

Strike the right chord, and I rap, rap my skull cap  
Electric, until I blow my top off  
I wrap my lyrics right around the globe  
I lay lobes and all

Bit by bit I make it fit  
Cause I'm here to knit myself together  
and whatever split for my format  
and after that  
I never stay the same  
and treat the freak like a doormat  
Jump around on it  
I'm here to spray poetic confetti already  
Open open open up your skull cap  
and let it rain, let it rain, let it rain  
Let it drain

All the I'm-too-cool-to-have-a-good-time-  
but-really-I'm-a-muted-trumpet type of talkaway  
Hey-ey-ey  
move to the front, take it off, take it off,  
Catch the vibes  
Cause it's lucas with the lid off

catch the vibes, catch the vibes  
Whoa-oh-oh  
Cause it's lucas with the lid off  
catch the vibes, catch the vibes  
Whoa-oh-oh  
Cause it's lucas with the lid off  
Zem, Zem,  
daZow, Zow  
Skedadle-lah-oooh  
watch me now you hear me now  
Uh now, now, now

Whatever bubbles, bubbles up... (I feeeeeel)  
Come follow me around come follow me now (yeah,  
yeah-eah)  
Whatever bubbles, bubbles up... (I feeeeeel)  
Come follow me around come follow me now (yeah,  
yeah-eah)  
Whatever bubbles, bubbles up... (I feeeeeel)  
Come follow me around come follow me now (yeah,  
yeah-eah)  
Whatever bubbles, bubbles up... (I feeeeeel)  
Come follow me around come follow me now (yeah,  
yeah-eah)

I feeeeeel... so good  
I feeeeeel... so good

Welcome to my brain, I got the lid off  
my chest I got my nut off  
the type of spirit that can break your framework  
the same by the end will stay the same

hear the voice of summer  
Zow za zow zow  
but once I gotta hum a melody  
that represents the type of flow I kick  
when my tongue is swingin' like a drumstick  
of a jazzy type of lick  
everybody's got the lid on tightly  
afraid of what might be lurking right behind  
and out of safety  
so undo yourself and watch my rhyme go  
out of my lyrical chimney  
but don't repeat my voice to the beat

when you hear the track again make up your own words  
Cause the rhythm is a conduit to break a split from the  
homegrown  
The well known is on to the unknown  
See everyone's a firecracker like a phone about to get  
hooked up  
and let look up and let look up and let whatever  
bubbles up  
out your head spread the vibes and illuminate the sky

Cause it's lucas with the lid off  
it's lucas with the lid off  
it's lucas with the lid off  
Come on and take your lid off

Watch this  
Watch me now you hear me now

take a solo , take a solo  
and spread the vibes kid  
I hear that funky tune  
now now now now  
now now  
Whooooooooooooo  
spread spread spread the vibes  
spread it spread it  
now-now now-now now-now now-now  
watch this  
mm-mm  
ah bap bap bap bow

Watch me now you hear me now

Uh now, now, now

Whatever bubbles, bubbles up... (I feeeeeel)  
Come follow me around come follow me now (yeah,  
yeah-eah)

Whatever bubbles, bubbles up... (I feeeeeel)  
Come follow me around come follow me now (yeah,  
yeah-eah)  
Whatever bubbles, bubbles up... (I feeeeeel)  
Come follow me around come follow me now (yeah,  
yeah-eah)  
Whatever bubbles, bubbles up... (I feeeeeel)  
Come follow me around come follow me now (yeah,  
yeah-eah)
