"Go The Distance"

I have often dreamed
Of a far-off place
Where a hero's welcome
Will be waiting for me
Where the crowds will cheer
When they see my face
And a voice keeps saying
This is where I'm meant to be

I'll be there someday
I can go the distance
I will find my way
If I can be strong
I know ev'ry mild
Will be worth my while
When I go the distance
I'll be right where I belong

Down an unknown road
To embrace my fate
Though the road may wonder
It will lead me to you
And a 1000 years
Would be worth the wait
It may take a lifetime
But somehow I'll see it through

And I won't look back
I can go the distance
I will stay on track
No I won't accept defeat
It's an up hill slope
But I won't lose hope
Til I go the distance
And my journey is complete

But to look beyond the glory
Is the hardest part
For a hero's strength is measured by his heart
Like a shooting star
I can go the distance
I will search the world

I will face it's arms
I don't care how far
I can go the distance
Till I find my hero's welcome
Waiting in your arms

I will search the world
I will face it's arms
Till I find my hero's welcome
Waiting in your arms
