This dark place, in my head,
I'm all alone, my dreams are dead.
So scared 'cuz I don't crave to be a bat, live in a cave.
This sudden destiny, has got it's teeth in me.
Lost, boy, what can I do? 'Cuz just one kiss means the
death of you.

CHORUS:

I can't get you out, get you outta my head,
Love is cursed, now I'm worse than dead!
Slaved to the blood that I crave instead,
I can't get you out, get you out, outta my head.
If I t-t-touch your lips you'll wind up dead.
Lost to the blood, that's the life I dread.
I can't get you out, get you out, outta my head.

I'm stuck in bloody jail,
Half a monster, and half a man.
Don't tell me what to do or I'll suck the life, right out of
you.
This sudden appetite, it keeps me up at night.
Fighting to find the will, a cruel joke, be killed or kill.

CHORUS:

I can't get you out, get you outta my head,
Love is cursed, now I'm worse than dead.
Slaved to the blood that I crave instead.
I can't get you out, get you out, outta my head.
If I t-t-touch your lips you'll wind up dead.
Lost to the blood that's the life I dread.
I can't get you out, get you out, outta my head.

I can't believe this is happening, I can't believe that it's
true.
I can't believe this is happening, to me, to you.
I can't believe this is happening, to one to love for all
time.
To find a girl to rescue few, risk it all, risk it all to be
mine!

CHORUS:

I can't get you out, get you outta my head.

Love is cursed, now I'm worse than dead.
Slaved to the blood that I crave instead.
I can't get you out, get you out, outta my head (I can't
get you out)
If I t-t-touch your lips, you'll wind up dead.
Lost to the blood that's the life I dread.
I can't get you out, get you out (can't get you)
I can't get you out, get you out (can't get you)
I can't get you out, get you out out outta out, outta my
head!
