I've still got my job,
Still got my woman,
And my dog didn't die,
My family's alright,
I ain't runnin' from nothing,
I didn't have me a bad day,
I got a pretty good life
But I won't let that stand in the way
Of me rockin' tonight.

Well I ain't got no reasons,
I ain't got no excuse,
I don't really feel lonesome,
I don't really feel blue,
No it ain't cause she left me,
This ain't what you think,
Tonight I ain't drinkin' to drown anything
I'm just drinkin' to drink.

Now don't point your finger,
Please understand
That most of the time
I walk a straight line
The best that I can
But I love me a cold beer
In a tall frosty glass,
So later tonight
When you look up and find
That I'm drunk off my ass.

Well I ain't got no reasons,
I ain't got no excuse,
I don't really feel lonesome,
I don't really feel blue,
No it ain't cause she left me,
This ain't what you think,
Tonight I ain't drinkin' to drown anything
I'm just drinkin' to drink.

No it ain't cause she left me,
I don't need a good shrink,
Oh no, tonight I ain't drinkin' to drown anything

Man I'm drinkin' to drink.
Oh tonight I ain't drinkin' to drown anything
I'm just drinkin' to drink.
