Well throw me under the train,
Tie me down to the track,
Let them big ole' wheels roll right over my back,
I'll have a smile on my face
All the way to the promise land.

Well toss me out of the plane,
Watch me fall to the ground,
No I don't care
If my body ever gets found,
The way you're lovin' me baby,
I can die a happy man.

Now that I've tasted all your squeezin' and a touchin'
Baby there ain't nothing I'd miss.
There ain't no reason now for me to go on living
Only heaven could be better than this.

So stuff me into a barrel,
Lock some chains on my hands,
Take me down to the river
And send me over the dam,
The way you're lovin' me baby,
I can die a happy man.
"Yes I can"

Now that I've had a little shot of your affection
I can't imagine nothing I'd miss.
There ain't no reason now for me to go on living
Only heaven could be better than this.

So throw me under the train,
Tie me down to the track,
Let them big ole' wheels roll right over my back,
The way you're lovin' me baby,
I can die a happy man.

Oh, yeah,
The way you're lovin' me baby,
I can die a happy man.
