I won't like to, be by your side  
'Cause you act like  
You're sorry you lied  
And I've found out, we are not  
You won't get that  
I tried a lot  
I can't get along with the thought  
Of bringing the stars to your heart  
Step inside and I tell you why  
I will let you down now  
You may reget, but I  
I will let you down  
I'll find it pretty sad to say  
I never liked you anyway  
Step inside and I tell you why  
I will let you down  
Uhh-uh she's out! Uhh-uh alright!  
I won't like to, be by your side  
'Cause you smell like  
Your hair is on fire  
And I know that, you won't react  
Or propose "what?"  
Any magical act  
I can't get along with the thought  
Of bringing the stars to your heart  
Step inside and I tell you why  
I will let you down now  
You may reget, but I  
I will let you down  
I'll find it pretty sad to say  
I never liked you anyway  
Step inside and I tell you why  
I will let you down  
You may reget, but I  
I will let you down  
I'll find it pretty sad to say  
I never liked you anyway  
Step inside and I tell you why  
I will let you down  
Uhh-uh she's out! Uhh-uh alright!  
Hold up, get up, stand up

Poor strike! Huh!  
Tellin' me for real that shit is all that she got  
Whazza-aa!  
Better lay down chillout now I'm sittin' on top  
Time to flip side-now we go on a ride  
So put down ya stride n' let's fly to the sky  
So boy Give upp all you  
Weepy whiny phonecalls  
Let her go  
So much U miss out on  
Come play with me cowboy  
Spit all this hate to make some revenge, huh?  
I find that kind of strange way  
Cuz that's a feeling too  
Gives her a living proof  
You still love her boo
