Pretty girl on every corner
sunshine turns the sky to gold
warm, warm, its always warm here
i can't take the cold

street littered with diamonds
everyone is glistening
this whole world shines so brightly
i can't see a thing

she is pretty as a picture
she is like a golden ring
circles me with love laughter
i can't feel a thing

sky's gonna open
people gonna pray and crawl
gonna rain down fire

gonna burn us all

skys gonna open
people gonna pray and sing
i can't feel a thing

she is pretty as a picture
she is like a golden ring
circles me with love laughter
i can't feel a thing

sky's gonna open
people gonna pray and crawl
gonna rain down fire
gonna burn us all

skys gonna open
people gonna pray and sing
i can't feel a thing
oh.. i can't feel
