Honey, your ways suck me dry
There is nowhere to hide
Well, I thought just as a friend of mine
you'd make it better
Thought of living a lie
Honey, your love makes me high
sweet words and love
makes me cry
When I take you out on a Sunday
evening to watch the birds in the sky
That makes me feelin' so fine
I'm making you sigh
You're making me cry
There's no wondering why

Chorus
Lovin is all right
Lovin is all wrong
Lovin is what's keeping us together
Lovin is forever
Lovin as you're weak
Lovin when you're strong
Lovin is forever

Honey, you've been quiet all day
What do you want me to say
What's been on your mind for a million
hours now, baby
You think it's better that way
Think I want you to cry
Think our love is a lie
Then don't tell me why

Chorus

Loneliness is no friend of mine,
it's wrong to sacrifice the feeling
that's been going on for so long
So, let's not break it up
let's kiss and make it up now

Chorus
