Aooh ha-a-aow...
Haow...
Aooh aooh
Aooh ha-a-aow...
Haow
I wanna reach the one
I wanna quit and run
I wanna face the ground
Still wanna see the sun
Pain is a minute old
I wanna be untold
I'm gonna let it die
Still wanna see it grow
I'm gonna go to there all dressed
Wake up reborn and go to flesh
! , I'm gonna scream out loud
I wanna make no sound
Wanna know what I love
I want it, maybe not
I'm gonna face my fears
I wanna hold my tears
Wanna know what I love
I want it, maybe not
That is to slow to fast you see
That doesn't mean a thing to me
I'm gonna prove I'm tough
I hope no one says enough
I wanna be alone
I wanna be with ya'll
I wanna be like me
Wanna be T R P
I'm gonna go to there all dressed
Wake up reborn and go to flesh
! , I'm gonna scream out loud
I wanna make no sound
Wanna know what I love
I want it, maybe not
I'm gonna face my fears
I wanna hold my tears
Wanna know what I love
I want it, maybe not

Now I'm gonna tell
All this makes my day a hell
I don't even know,
But sometimes I change my way
See my own delay (delay dela, delay)
Now I don't even know,
But sometimes I change my way
Just see my own delay, dela, delay, de dela-dela-de
!!, I'm gonna scream out loud
I wanna make no sound
Wanna know what I love
I want it, maybe not
I'm gonna face my fears
I wanna hold my tears
Wanna know what I love
I want it, maybe not
Aaoh ha-a-aow...
I want it, maybe not
Aaoh ha-a-aow...
Wanna know what I love
I want it, maybe not
