Mhmmm, Yeah

Livin' with me, it ain't easy  
But I do it every day  
Sometimes even now  
I wanna run away  
But there you are  
You're tryin' to please me  
Yeah you stand your ground  
It's more than I deserve

I've taken more than I've been given  
I've taken for granted this life I'm livin'  
I don't know why heaven above  
Blessed me with your sweet love  
Though I never tell you what you're worth  
It's more than I deserve

It's just your style to wear a smile  
Oh baby you wear it well  
If I had my way, I'd dress you in nothin' else  
So come on here and lay down, a little while  
'Cause you right now  
You're more than I deserve

I've taken more than I've been given

I've taken for granted this life I'm livin'  
And I don't know why heaven above  
Blessed me with your sweet love  
Though I never tell you what you're worth  
It's more than I deserve

I've taken more than I've been given  
I've taken for granted this life I'm livin'  
And I don't know why heaven above  
Blessed me with your sweet love  
Though I never tell you what you're worth  
That's 'cause it's more than I deserve

Taken more than I've been given  
And I've taken for granted this life I'm livin'

And I don't know why heaven above  
Blessed me with your sweet love  
Though I never tell you what you're worth  
It's more than I deserve
