Looking through eyes that wept
I confessed my love
And as you slept I asked for help from above
I said the strength of my affection
Has taken all my time
Like an hourglass, my heart fills up
But I'm losing my mind over you

I don't know why
I'm always tryin' to get inside of you
Pinata Novia
I'm sorry I'm breaking you open,
But it's just what you want me to do

I'm sure that time's gonna take its toll
And I know that my tattooed heart
May make you lose control
But grab a hold of something
Preferably my heart
Oh and promise you won't let it go
And swear you'll never part away from me

I don't know why
I'm always tryin' to get inside of you
Pinata Novia
I'm sorry I'm breaking you open
But it's just what you want me to do
It's exactly what I'm gonna do
