Iâ€™m a little heavy
Waste boundinâ€™ down...
Got a zero in the bank
On my account.
Itâ€™s been a week since sheâ€™s been home-
Thatâ€™s seven days of on my own
Thatâ€™s my number baby,
Gonna lay my money down.

My destination is dependinâ€™ on the right turn
The right field of dreams.
Well Iâ€™m rollinâ€™ down the highway
Passinâ€™ on the hard way
Burninâ€™ gasoline...

Iâ€™m seeinâ€™ signs up ahead in lights,
Vegas city limit lines.
Tonight Iâ€™m gonna let it ride away.
Well, Iâ€™m puttinâ€™ down everything I own
On the mercy of these bones.
Come on man, God bless these seven days!

Yeah well I sold my Chevy for a couple hundred bucks
Iâ€™m bettinâ€™ it all
And Iâ€™m countinâ€™ on Lady Luck.
Me and destiny have made a deal,
You canâ€™t shake these nerves of steel.
So come on, fate, letâ€™s see where we end up.

My temptationâ€™s already left me with a hand,
I canâ€™t even see
But Iâ€™m gonna play â€™em, Iâ€™m gonna hold â€™em.
Like a box-car keep rollinâ€™,
These cards ainâ€™t got nothinâ€™ on me!

Iâ€™m seeinâ€™ signs up ahead in lights,
Vegas city limit lines.
Tonight Iâ€™m gonna let it ride away.
Well, Iâ€™m puttinâ€™ down everything I own
On the mercy of these bones.
Come on man, God bless these seven days!

Yeah well Iâ€™m gonna turn this table
Into a one man show
And Iâ€™m stackinâ€™ up my life
To play on just one roll.
Well sevenâ€™s my best friend in town
And yes, maâ€™am, Iâ€™ll have another round
But kiss these dice before I let â€™em go!

Iâ€™m seeinâ€™ signs up ahead in lights,
Vegas city limit lines.
Tonight Iâ€™m gonna let it ride away.
Well, Iâ€™m puttinâ€™ down everything I own
On the mercy of these bones.
Come on man, God bless these seven days!

Iâ€™m puttinâ€™ down everything I own,
On the mercy of these bones
Come on man, God bless these seven days!

Oh God bless these seven days.
