I think iâ´m falling in love (I think iâ´m falling baby)
I think iâ´m falling in love (I think iâ´m falling baby,
with you)
With you (I think iâ´m falling baby)

I remember the first day that I saw you
I felt theres something about you I already knew
So how was it baby that we never met before
Cause now that I know you girl
theres nothing I want more

I think iâ´m falling in love (I think iâ´m falling baby)
I think iâ´m falling in love (I think iâ´m falling baby,
With you)
With you (I think iâ´m falling baby)

iâ´m lying awake at night just to watch you sleep
And then you smile that way it makes me weak
I never thought that iâ´ve got so much love
Dont you know youâ´re my angel girl
Sent from up above

I think iâ´m falling in love (I think iâ´m falling baby)
I think iâ´m falling in love (I think iâ´m falling baby,
With you)
With you (I think iâ´m falling baby)

Girl you made it so easy to tell you how I feel
I never thought in this lifetime, I find a love so real

I think iâ´m falling in love (I think iâ´m falling baby)
I think iâ´m falling in love (I think iâ´m falling baby)
I think iâ´m falling in love (I think iâ´m falling baby)
I think iâ´m falling in love (I think iâ´m falling baby)
I think iâ´m falling in love (I think iâ´m falling baby)
I think iâ´m falling in love (I think iâ´m falling baby,
With you)
