Where is the humility?
Decide on this mission.
When did you suddenly decide?
Decide on this mission.
You could have tried harder,
To deal with this.

Who told you it was okay to run...tonight?
Who told you it was okay to run...tonight!

How do I show you,
How you make me feel?
How do I show you,
How I feel?

A Monday in Vegas,
That was real!

What did I say to you?
I need more defences,
You seem to think that I,
Deserve your pretenses,
I could have tried harder,
To deal with this.

You leave me exhausted,
And that's what,
And that's what I miss.

And you leave me exhausted,
And that's what I miss.

And you leave me exhausted,
And that's what I miss.

We're running this together,
And that's what i miss.

We're running this together,
We're running this together!
And that's what I miss.

Who told you it was okay to run...tonight?
Who told you it was okay to run...tonight!

How do I show you,
How you make me feel?
How do I show you,
How I feel?

A Monday in Vegas,
That was...real!

How do I show you,
How you make me feel?
How do I show you,
How I feel?

A Monday in Vegas,
That was...real!
