I've been dodging the girls
Like they were bullets
And up 'til the time I met you
I'd done my best
'Til you came along
And you took aim
And your big 'ole 12 gauge shells
Caught me square in the chest

Now I've been dodging the girls
Like bullets from a gun
It was only a matter of time
Til I got myself shot by one

Now there's no way I could beat your six guns of six
strings
Even if I'm more charming than Butch Cassidy
Cause your faster than Sundance
And I don't stand a chance
If a gun pointed at me is yours
Hell I used to be fast
Time caught up at last
And I can't dodge them bullets no more

Well I've been dodging the girls
Like bullets from a gun
It was only a matter of time
'Til I got myself shot by one

You got me cornered
Got me all shot up
Make a try for the horses and hope that
Hope you can't catch up
Well I know I'll be square in your site
The moment that I reach that door
Now I got me bullet in my left, I hope
I could dodge one more
Hope I dodge one more

Well I've been dodging the girls
Like bullets from a gun

It was only a matter of time
'Til I got myself shot by one
