"Into Your Eyes"

Well I'm not suppose to see you looking
Not suppose to stare straight into your eyes/into your
eyes
Well I'm not supposed to kiss your lips
But you smiled so sweet
I can't resist those eyes

Now you say you might have eyes for me
I can only wish that you were mine/that you were mine
Well I'm not supposed to be here with you
But how can I leave
If you look at me with those eyes
In your eyes
Into your eyes

Well I'm not supposed to kiss your lips
But you smiled so sweet
I can't resist those eyes, well I'm not suppose to see
you looking
Not suppose to stare straight into your eyes/in your
eyes
Well I'm not supposed to kiss your lips
But you smiled so sweet
I can't resist those eyes

Now you say you might have eyes for me
I can only wish that you were mine/That you were mine
Well I'm not supposed to be here with you
How can I leave
