

## Lucero "Sweet Little Thing"

Visit "[Sweet Little Thing](#)" on MotoLyrics.com

Sweet little thing

A constant in my thoughts

Sweet little thing

Somehow we both got lost  
And you tell me that I can't change  
And you say I'm such a boy

Sweet Lil thing

Your friends say I'm no good

Sweet little thing

They never understood  
The way I'd stay up all night  
The way I'd tremble in your arms

A kiss'll make you close your eyes  
A kiss won't make you stay  
Please don't walk away  
Please dont walk away

I like to know you're there  
Though there's nothing left to say  
Please don't walk away  
Please don't walk away

Sweet little thing

Maybe I ain't no good  
Sweet little thing  
I ain't done what I should  
I let'em think what they want  
But all I want is you

A kiss'll make you close your eyes  
A kiss won't make you stay  
Please dont walk away  
Please dont walk away

I like to know you're there  
Though there's nothing left to say  
Please don't walk away  
Please don't walk away

A kiss'll make you close your eyes  
A kiss won't make you stay

A kiss'll make you close your eyes  
A kiss won't make you stay

A kiss'll make you close your eyes  
A kiss won't make you stay

A kiss'll make you close your eyes  
A kiss won't make you stay

Sweet Lil thing
