Tacticas de Guerra
Lucero

Tengo una luna escondida en el bolsillo y una paloma que est siempre en libertad tengo una rosa empapada de rocio y caracolas donde escucho el mar tengo una playa done juegan las sirenas y una montaa donde pueda hablar con Dios tengo un naranjo que rebosa primaveras y entre sus ramas canta un rueseor.

Pero no tengo, pereoo deseo, pero me faltan las armas que te hagan fijarte en mi miradas que no puedas resistir, besos que te obliguen a transigir tcticas de guerra, tcticas de guerra.

Tengo la suerte en la palma de mi mano y una guitarra en las cuerdas de mi voz tengo un planeta que he comprado en la rebaja y un dulce sueo donde caben dos tengo el tesoro de la isla del tesoro y una escritura de un palacio de cristal y una cajita donde guardo mis secretos que si me quieres te voy a regalar.

Pero no tengo, pereoo deseo, pero me faltan las armas que te hagan fijarte en mi miradas que no puedas resistir, besos que te obliguen a transigir tcticas de guerra, tcticas de guerra.

Strategies of War
Lucero

I have a moon, hidden in my pocket, and a dove that is always free. I have a rose, soaked in morning dew, and seashells where I hear the sound of the sea. I have a beach where the mermaids play, and a mountain where I can speak with God. I have an orange tree that overflows with springtime, and within it's branches, a mockingbird sings.

But I don't have, though I wish, but I'm missing, the arms to make you take notice of my glances, that you can't resist kisses that would make you give in.

Strategies of war. Strategies of war.

I have fate in the palm of my hand and a guitar in my
vocal chords. I have a planet that I have bought on sale
and a sweet dream where two would fit. I have the
treasure of Treasure Island and the deed to a crystal
palace, and a little box where I keep my secrets, that if
you love me, I will give you.

But I don't have, though I wish, but I'm missing the
arms to make you take notice of my glances, that you
can't resist kisses that would make you give in.
Strategies of war. Strategies of war.
