"Fear"

Visit "[Fear](#)" on MotoLyrics.com

It's A Strange Familiar Place
Like The Back Of Your Hand Or The Scar On Your Face
Takes A Minute Till You Climb Out Of The Middle
And The Winner Takes It All

It's The Same Dark Embrace
Cold Winter Days That Never Change
It Takes A Minute, A Minute, A Minute
A Moment To Miss A Call

There's Something Dragging Me Down
A Voice That Knows Me All Too Well

Fear Has Got The Best Of Me
There's No Rescue I'm Half Empty
A Little Doubt Can Take It All
Faithful Is As Faithful Does
Only The Fearless Keep Holding On
Until Fear Is Gone
Fear Is Gone

It Lies Quiet
Quick Swift Moves
Bringing Out The Worst
Disguising The Truth
A Cruel Hand That Will Crush What It Holds
Has A Life All Its Own

The Uninvited, Unexpected Guest
The One You Avoid The One You Detest
All The Stories New Found Discoveries
Nothing To Brace The Fall

I Can Not See My Way In
I Can Not Find My Way Out

Fear Has Got The Best Of Me
There's No Rescue I'm Half Empty
A Little Doubt Can Take It All
Faithful Is As Faithful Does
Only The Fearless Keep Holding On Until Fear Is Gone
