Tangled Up I Can't Come Down  
My Feet Are Lifting Off The Ground  
Caught Up, Caught Up, Caught Up  
In Your Monkey Puzzle Tree

Finger Nails Like Needles  
Scrape Across My Skin  
Cherry Lips Devour Me Disabled By Your Kiss  
I Can Deny You Nothing  
Just Ask And You'll Receive  
The Phoenix Fights Desire

You Know Just What I Mean  
With Telepathic Tendencies  
We Need No Words To Speak

Tangled Up I Can't Come Down  
My Feet Are Lifting Off The Ground  
Caught Up, Caught Up, Caught Up  
In Your Monkey Puzzle Tree  
Lipstick Smear Across Your Face  
It's Dangerous To Act This Way  
Caught Up, Caught Up, Caught Up  
In Your Monkey Puzzle Tree

Twisting And Turning  
Strange Creatures At Play  
We Mirror Each Other  
We Are One And The Same  
I Tremble With Caution  
And Not Know What To Say  
I've Been Hunted And Caught Up  
In The Traps You've Laid

You Say It's All Or Nothing  
The Line We've Crossed Is Clear  
We're Living In The Moment  
It's Primal What We Feel  
We're Bordering Irrational  
Not Consciously Aware  
Of Actions Or Their Consequence

Or What We're Doing Here

Tangled Up I Can't Come Down  
My Feet Are Lifting Off The Ground  
Caught Up, Caught Up, Caught Up  
In Your Monkey Puzzle Tree  
Lipstick Smear Across Your Face  
It's Dangerous To Act This Way  
Caught Up, Caught Up, Caught Up  
In Your Monkey Puzzle Tree  
In Your Monkey Puzzle Tree  
In Your Monkey Puzzle Tree  
Caught Up, Caught Up, Caught Up  
In Your Monkey Puzzle Tree  
Caught Up, Caught Up, Caught Up  
In Your Monkey Puzzle Tree
