Like A Caterpillar To A Butterfly
Chameleon Like Evolve With Time
I Am A Paradox A Mystery
Eternal Inconsistency

Iâ™™m Just An Ordinary Girl
Ordinary Girl
Iâ™™m Just An Ordinary Girl
In An Ordinary World

Catatonic Yeah I Canâ™™t Get Up
Iâ™™m A Cannon Ball In A Sugar Drop
Friends Say Maybe You Should Medicate
Staring Me Down With A Samurai Face

How Many Times Will It Take You
How Many Times Will It Break You
How Many Times Till You Leave This Place
Do You Even Have It In You

Iâ™™m Just An Ordinary Girl
Iâ™™m Just An Ordinary Girl
Iâ™™m Just Ordinary Girl
In An Ordinary World

A Girl By Any Other Name
Different Colors All The Same
Pretty, Dangerous Or Plain
I'm An Ordinary Girl.
Insecure Or Filled With Rage
All Depending On The Day
Inner Wisdom, Inner Shame
I'm An Ordinary Girl
Just An Ordinary Girl

Opium Dreams That Rise And Swell
Like Tide Pools In A Wishing Well
Until Geisha Morning White Powder Face
And Mother Orchids On The Radio Waves
Another Day Another Round
Squeezing Into The Underground

Squeezing Into The Underground
