(feat. Super Mal)

(Verse 1)

Slice into it,
gotta cut through it.
Rock it now,
get me back on.
Ride it cowgirl,
buffalo style.
Eat the rich,
how glamorous,
how glamorous.

(Bridge)

Baby im so wet for you,
wet for you,
so wet for you.
Polka baby no vodka eyes,
slip in to me.

(Chorus) (Repeat x2)

Oh stick around cos it's bigger than big,
i got a big,
fat beat,
better tighten your grip,
this is what you came for,
what you came for,
wah-oh-oh-oh-oh.

(Luciana)

Slice into it.
Gotta cut throught it.
Rock it now.
Get me back on.
Ride it cowgirl.
Buffalo style.
Eat the rich.
How glamorous,
how glamorous.

(Bridge)

Baby im so wet for you,
wet for you,

so wet for you.
Polka baby no vodka eyes,
slip it to me.
Baby im so wet for you,
wet for you,
so wet for you.
Polka baby no vodka eyes,
slip in to me.
Slip in to me,
slip in to me,
slip in to me,
slip in to me,
slip in to me.

Wah-oh-oh-oh-oh.

(Chorus) (Repeat x2)
Oh stick around cos it's bigger than big,
i got a big,
fat beat,
better tighten your grip,
this is what you came for,
what you came for,
wah-oh-oh-oh-oh.

(Ending)
Slice into it.
Gotta cut trough it.
Rock it now.
Get me back on.
Ride it cowgirl.
Buffalo style.
Eat the rich.
Wah-oh-oh-oh-oh
