I like that-
my body rocks a rhythm
you beat my drum hard
I might just kick it kick it
you wanna lick it lick it
I love to stick it stick it
from London to LA
yeah that's the ticket ticket
come on and kiss it kiss it
I like that-
I like the Gucci Gucci
I love the dollar bill
I love your pocket rocket
we live to shock it shock it
I like the way you smile
I might just bite your lip
I see you talking talking
your hands are talking talking
I like that
I like that
I like that-
I like your dirty mind
mine's on it all the time
oh let me shake it shake it
oh boy oh Roy oh Polaroid it shake it
I'm a graffiti girl
I wanna spray it spray it
I like to throw the paint

I like that-
I'm locking not hip hopping
you lace me up right
you're getting tricky tricky
you're getting sticky sticky
I like that 8track
it takes me way back
I'd love to bite New York
Avec un knife and fork
my body rocks the rhythm
you beat my drum hard
I like that-
