I sat under the tree  
When my Master spoke to me  
His words froze my blood  
As he told the truth.

Under Yggdrasil  
I want to know who I am  
Under Yggdrasil  
Tomorrow's awaiting, heading to paradise

I cried for the ones I lost  
My heart bleeding for my Brothers  
Oh great Lord in Valhalla  
Give me Strength to survive.

What do I see each time?  
Is this my destiny?  
Is this all that's left for me  
Confusion and bad memories?

Under Yggdrasil!

Under Yggdrasil, Under Yggdrasil,  
Under Yggdrasil, Under Yggdrasil

Under Yggdrasil!

Under Yggdrasil!  
I'm in paradise
