Just touch me, yeah
Oh it feels so right
Don't rush me rush me rush me baby
I'm tryna stay all night with you

I'm in love the way you make me feel
I'm in love I don't know what is real
[x2]

I'm in love
Every time you stop and look at me
I'm in love
You and I were meant to be
I'm in love [x6]

Yeah save me, yeah
I don't know what to do
You're drivin' me crazy crazy crazy baby
You got me trippin' over you

I'm in love the way you make me feel
I'm in love I don't know what is real
[x2]

I'm in love
Every time you stop and look at me
I'm in love
You and I were meant to be
I'm in love [x6]

I never knew that I could feel this way,
Feel this way, feel this way
Till you brought me here
And I never wanna leave this place....
You know I'm in love

I'm in love
Every time you stop and look at me
I'm in love
You and I were meant to be
I'm in love [x6]
