glory hallelujah... hollow be thy name... oh most high
Jah
glory be to the most high Jah, hollow be thy name
King of kings, and Lord of lords, worthy to be praised
I ascribe to you dominion, power and grace,
through the years and years to come, you'll always be
the same
it's me again Jah, as I fall on my knees today, help me
Jah I pray, don't wanna be carried away
it's me again Jah, as I fall on my knees today, help me
Jah I pray, preserve my soul today

I look around the world today oh Jah and you will see,
Pharisees and backbiters taken up in vanity
but I know you control my destiny, and from you all
blessings flow, from yesterday even today, and
tomorrow
it's me again Jah, as I fall on my knees today, help me
Jah I pray, don't wanna be carried away
it's me again Jah, as I fall on my knees today, help me
Jah I pray, preserve my soul today

my heart is willing my flesh is weak, but still O Jah I
seek, to walk your way, your holy way, I pray I pray my
soul will keep
though my enemies encamp at me, I know ill be still,
forevermore under your banner, and for always in your
hand
its me again Jah, as I fall on my knees today, help me
Jah I pray, don't wanna be carried away
it's me again Jah, as I fall on my knees today, help me
Jah I pray, preserve my soul today

I glory hallelujah, bless my soul o Jah, o most high Jah
say glory be to the most high Jah, glory be his name
King of kings, and Lord of lords, worthy to be praised
I ascribe to you dominion, power and grace,
through the years and years to come, and for all the
rest
it's me again Jah, as I fall on my knees today, help me
Jah I pray, don't wanna be carried away

it's me again Jah, as I fall on my knees today, help me
Jah I pray, preserve my soul today
