I can't control this flesh and blood
That's wrapped around my bones
It moves beneath me like a river
Into the great unknown

I stepped onto the moving stairs
Before I could tie my shoes
Pried a harp out the fingers of a renegade
Who lived and died the blues

And his promise made was never clear
It just carved itself in me
All I saw was frost inside my head
On the night he said to me

Someday we'll live like horses
Free rein from your old iron fences
There's more ways than one to regain your senses
Break out the stalls and we'll live like horses

We're the victims of the heartbreak
That kept us short of breath
Trapped above these bloodless streets
Without a safety net

I stood in line to join the trial
One more customer of fate
Claimed a spoke in the wheel of the wagon train
On the road to the golden gate

On the flat cracked desert I jumped ship
It just made sense to me
I've spent too long in the belly of the beast
And now I shall be free

Luciano Pavarotti:

I can't control this flesh and blood
That's wrapped around my bones
It moves beneath me like a river
Into the great unknown

I stepped onto the moving stairs
Before I could tie my shoes

Pried a harp out the fingers of a renegade
Who lived and died the blues

La promessa non fu chiara
S'erra solo impressa in me
Vidi solo il gelo dentro me
Quella notte dise a me

Vivrem comme cavalli
Liberi dai recinti di ferro
Che piu non voglio
Rinnegare i sensi
Su dai fuggiam
Vivrem comme cavalli

We're the victims of the heartbreak
That kept us short of breath
Trapped above these bloodless streets
Without a safety net

I stood in line to join the trial One more customer of
fate
Claimed a spoke in the wheel of the wagon train
On the road to the golden gate

Nel deserto la nave abbandonai
Per me aveva senso
Son stato troppo tempo nella bestia
Ed ora sarò libero

Someday We'll live like horses
Free reign from your old iron fences
There's more ways than one to regain your senses
Break out the stalls and we'll live like horses
Someday

Liberi dai ricenti di ferro
Che piu non voglio
Rinnegare i sensi
Su dai fuggiam
Vivrem comme cavalli
