Life is a moment to space
when the dream is gone
it's a lonelier place
I kiss the morning goodbye
but down inside
you know we never know why
The road is narrow and long
when eyes meet eyes
And the feeling is strong
I turn away from the wall
I stumble and fall
but I give you it all

I am a woman in love
and I'd do anything
to get you into my world
and hold you within
it's a right I defend
Over and over again
What do I do

With you eternally mine
In love there is
no measure of time

We planned it all at the start
That your and I
live in each others heart
We may be oceans away
you feel my love
I hear what you say
No truth is ever a lie
I stumble and fall
but I give you it all

I am a woman in love
and I'd do anything
to get you into my world
and hold you within
it's a right I defend
Over and over again
What do I do

I am a woman in love
and I'd do anything
to get you into my world
and hold you within
it's a right I defend
Over and over again...
