Music: LÃ¶ffler, Rothe, Wildenhain, Wolf, Lyrics:
LÃ¶ffler, Rothe, Wildenhain, Wolf

If the sun refused to shine then darlin'
I don't mind if you'd still be my baby
If my eyes refused to see there would still be you and
me
So don't you say maybe

Bridge:

I turn water into wine anything to keep me lazy
I change stones into diamonds if I don't keep you I go
crazy

Ref:

If I ever lose this love
I ever lose this love
I ever lose this I'm goin crazy

I was tired and I was through
It all changed when I met you
All you had to do was face me

Every new day has its dawn
No more life to live alone
You had the strength to save me
