I remember all my life
raining down as cold as ice
shadows of a man, a face through a window
cryin' in the night, the night goes in

to morning, just another day
happy people pass my way
looking in their eyes, I see a memory,
I never realized how happy you make me

Oh Mandy, well you came and you gave without taking
but I send you away
Oh Mandy, well you kissed me and stopped me from
shaking
and I need you today oh Mandy

Standing on the edge of time
I've walked away when love was mine
Caught up in a world of uphill climbing
tears are in my eyes and nothing is rhyming
Oh Mandy, well you came and you gave without taking
but I send you away
Oh Mandy, well you kissed and me and stopped
shaking
and I need you today oh Mandy

Yesterday's dream, I face the morning
cryin' on a breeze the pain is calling

Oh Mandy, well you came and you gave without taking
but I send you away
Oh Mandy, well you kissed me and stopped me from
shaking
and I need you today

Oh Mandy, well you came and you gave without taking
but I send you away
Oh Mandy, well you kissed me and stopped me from
shaking
and I need
you
