Remember what you said  
I claim your promise  
'Cause we went too far  
Like a darkening star  
You swore to keep your faith

You swore to be patient  
And where are we now  
We're stranded, just somehow  
So please, take my hand

Yeah, our love is special  
It's more than I can say, I won't give it up  
'Cause don't you know  
All I ever wanted, girl, was you

So, come on, tell me  
Oh, why do you think our dreams went wrong  
Hold on, baby, I never felt a love that strong

So, come on, believe in me  
Yeah, all we need is just some time  
Why can't you see, I want you back again

I know it's not too late  
Believe me, I promise  
I will make you see  
You're just made for me

So, don't lose your faith  
And keep your patience now  
'Cause we're all in a flow  
And I know where to go  
So please, take my hand

Yeah, our love is special  
It's more than I can say, I won't give it up  
'Cause don't you know  
All I ever wanted, girl, was you

So, come on, tell me  
Oh, why do you think our dreams went wrong

Hold on, baby, I never felt a love that strong

So, come on, believe in me  
Yeah, all we need is just some time  
Why can't you see, I want you back again  
I want you back again

You are just deep down in my mind  
I won't forget a single time  
Not the day when we first met  
And not the lovely words you said  
And now I don't know what to do  
All that I want is only love

So, come on, tell me  
Oh, why do you think our dreams went wrong  
Hold on, baby, I never felt a love that strong

So, come on, believe in me  
Yeah, all we need is just some time  
Why can't you see, I want you back again

Remember what you said  
I claim your promise  
'Cause we went much too far  
Like a darkening star
