All alone on a night train
Like a stranger
On a sinking ship
Will I ever know
The secret to your heart
Do you care, am I dreaming
When I reach for you
Is that burning flame
Just inside of me
Are we a world apart

I'm so in love, so in love with you
I'm so in love
If you only knew
I'm so in love
I'll never be the same
Cause I'm so in love
So in love with you

Should I dare to entice you
Will a touch
Of your fingertips
Take my heart again
You know it's been so long
Is it wrong how I want you
When it feels so right
Being close
And who is to tell me now
That all's been said and done

I'm so in love, so in love with you
I'm so in love
If you only knew
I'm so in love
I'll never be the same
Cause I'm so in love
So in love with you

You, you never understood
You were gone
When our love felt so good
You unchain my heart

And set me free
Or tell me that
You're gonna be with me

I'm so in love, so in love with you
I'm so in love
If you only knew
I'm so in love
I'll never be the same
Cause I'm so in love
So in love with you

I'm so in love, so in love with you
I'm so in love
If you only knew
I'm so in love
I'll never be the same
Cause I'm so in love
So in love with you
