I saw you yesterday and you were not alone  
You were with another guy whose name I do not know  
You went into a caf?, and he gave you lots of treats  
You knew that I was watching you and you didn't give a teet

### CHORUS

What more do you want?  
I'm feeling love for you  
What more do you need?  
I want to be with you  
What more do I have  
of things to give to you?  
What more do you want?  
cos I'm in love, I'm in love  
cos I'm in love with you

I know know why I stay with you for all the things that  
you do

You think that love's a game to play, today is not your  
day  
I've always been right there for you, today is not the  
same  
Decide what you want from me  
It'll never be the same again...

### CHORUS

I want you  
I need you, I need you so bad  
Qu? m's quiz's?

Oh no...

Oh....  
I want to be, oh I want to be with you  
Of things to give to you  
What do you want?  
To me you are gone
