Hold on to me
I'll hold on to you
'Cause I have seen
The evening news
A plane went down
The lady said
No survivors
A hundred dead.
A commercial break
For a fast-food joint
Had thirty seconds
To make it's point
'Cause T.V. land
Has no time
For People's hearts
Or people's minds.
(Chorus)
In an empty T.V Generation
A cancer grows on a bleeding nation
Grab a seat and hold on tight
That ain't a star thats shinin' bright
Up in the night sky
Its a sattelite.
Dissatisfied? Thats all right
Lose your family
Lose your mind
The tube is warm
It's monday night
"ARE YOU READY FOR SOME FOOTBALL?"
And here lord on my own
Here lord on my own
Here lord on my own
I sit and heal.

Hold on to me
I'll hold on to you
'cause I have seen
The evening news
A bomb went off
In Peoples Park
The shades were drawn

The lights went dark
And a mothers hands
Black as night
And a fathers face
Pale and white
And no one cries
And no one begs
They stand side by side
On steady legs
(Chorus)
Tag
I remember holding mother
In my arms
Like A child
(I was once a child myself)
I was a little superhero saving worlds
Eyes wide and wild
Like everybody else.
