By the supreme symbol of Baphomet.
By the supreme symbol of freedom, is time for
revenge.
By the all innocent's blood, fall in the ground, the
Christians are condemned, and your souls crucifix with
hate, by the Satan's retaliation.

For many ages of oppression, for many ages of mental
dissection, now it's time of war, now it's time, of the
Satan's retaliation.
Prepare the legions for the battle, it's time for revenge,
by the innocents blood, the Christians fall, the
Christians are condemned, by the ancient ritual of the
retaliation, by the Satan's retaliation.

Involved by flames of dark splendor, I behold the face,
of the beast, the truth shining in him.

I see the bodies, false prophets impaled, in the valley
of the shadows, of the Christians condemned.
I condemned this humans and your souls, crucifix in
hate, by the glory of the Lucifer, of the Lucifer Empire; I
condemned this humans, by the luciferian race.
