[Intro: R. Kelly]

Uhh, uhh (uh-huh) uhh

Yeah, this is for all the sexy ladies out there

Uhh.. walkin around downtown

Shoppin at the malls, yeah

.. I see you in your sexy jeans

Manicure, pedicure mamis

Your hair is good, yeah, I see you

[Chorus: R. Kelly]

LADIES! (You're.. so.. se-xy) So sexy

(Per-fect.. for.. me) And I like you

(You're.. so.. se-xy) So sexy

(Per-fect.. for.. me) And this is for

[Verse One: Twista]

My ladies that be steady sippin Cris'

Always lookin nice, put some ice on they belly or they wrist

Girls that be thick off in they thigh, I wanna kick it in the Chi

They gon' be fuckin with some Kelly and the Twist'

Baby now look, model girls, Gucci and Prada girls

and all the ghetto divas in the hood

Women that be steady stackin ends

rollin Lexus or Benz with rims and know how to keep it lookin good

Go on witch a fine thick ass

Somebody gon' snatch you so I gotta make you mine quick fast

See I come and pass, I don't really wanna wonder

so I gotta put her numbers on my sidekick fast

Rollin witch a mob workin hard, gettin money, pullin capers

If I ain't got papers you will bring me some beans home

Supervisor givin orders on the job

but you still lookin good with them skin-tight jeans on

Lookin hot in them heels, I think I want that

Come and back it up to the bottom of my throwback

With you rollin yo' rims lookin like a Kodak

Watch I drive I wanna smoke, she will roll that

Miss mobstress rollin with the hardest
Holdin it down like a female Joe Pesci
And I wanna make her a made woman
and I hope she gon' let me, cause she looks so sexy

[Interlude: R. Kelly]

OHH! And this is for them girls that be wantin - dutty
And this is for them girls that be lovin - dutty
And this is for them girls that be ridin - dutty
The ones that like to keep the D up inside 'em now
So many girls off up in the mall boy a nigga be in the
club (ohh!)
Soon as one of them walk by me and I be like, "Yo
whassup?"

[Chorus]

[Verse Two: R. Kelly]

All the shrimp and lobster honeys, downtown shoppin
honeys
Stayin on the grind, gotcha own car and crib honeys
Dro puffers, Remi sippers, V.I.P. real honeys
No dummies, takin no shit from a nigga that's full of
shit honeys

[Interlude]

[Chorus]

[Verse Three: Twista]

Me and my clique was - rollin thick on 24's on a dirty
lick
Met a chick, lookin fine and her measures was
36-24-36, come here shorty
Ain't no reason to be scared of us
Lovin how you do your own thang
And how you smokin on your own flame
Lookin finer than a girl that be groovin on Soul Train
I try to to hit her with some cold game
I hope she - feel me; try to holla at a shorty
Get a better vibe wit her while I'm sippin on my - Henny
I wanna kiss her on her body
but I gotta make her holla while I'm givin her - dutty
Gotta really love a girl
They know to kick it but she know she gotta make that -
money
Goin shoppin for the minks and the leather
but come back and bounce that ass - for me
My East coast girls, that's what's up
Tell my Southside shorties we can get it crunk
My Cali girl make it bounce like a six-fo'

My Chi girl bust down, make it straight buck
When I see up all the girls that get down for hers
I gotta get up wit her if she gon' let me
Career woman with some goals, fuck the broke-ass
hoes
Baby girl cause you look so sexy

[Interlude]

[Chorus]
