All of my love has been taken for granted  
I've been fair but you've been underhanded  
I've been disgraced but I can't bear to face it  
Cause the truth is my heart has been abandoned  
I was hoping for heaven but baby I ain't blind  
This ain't the first time I've been undermined  
Sad eyes and crooked smile that I remember well  
Now it looks like all I got is time to kill  
You can't fool me I see it in your eyes  
You can't fool me I see it in your eyes  
Everything I thought we had  
Has all been cast aside  
You can't fool me I see it in your eyes

SOLO

These boots are the same boots I was wearing then  
And this beer I'm drinkin is still the same old brand  
But these blues are something new  
They came around when I lost you  
And it looks like I got stuck with an empty hand  
You can't fool me I see it in your eyes  
You can't fool me I see it in your eyes  
Everything I thought we had  
Has all been cast aside  
You can't fool me I see it in your eyes  
You can't fool me I see it in your eyes
