"Am I Too Blue"

Am I too blue for you?
Am I too blue?
When I cry like the sky
Like the sky sometime
Am I too blue?
Â
Is the night too black?
Is the wind too rough?
Is it at your back?
Have you had enough?
Â
Do you miss my touch?
Do you wanna stay?
Do you have so much
Still left to say?
Â
Refrain: (Am I too blue....)
Â
When you're in the dark
Do ya call my name?
Is there still a spark?
Does it feel the same?
Â
The sun beats down
It burns your skin
When you run into, my arms again
