Are you all right?  
All of a sudden you went away  
Are you all right?  
I hope you come back around someday.  
Are you all right?  
I haven't seen you in a real long time  
Are you all right?  
Could you give me some kind of sign?  
Are you all right?  
I looked around me and you where gone?  
Are you all right?  
I feel like there must be something wrong  
Are you all right?  
Cause it seems like you disappeared  
Are you all right?  
Cause I've been feeling a little scared  
Are you all right?  
Are you sleeping trough the night?  
Do you have someone to hold you tight?  
Do you have someone to hang out with?  
Do you have someone to hug & kiss U?  
Hug & kiss U  
Hug & kiss U  
Are U all right?  
Are you all right?  
Is there something been bordering you?  
Are you all right?  
I wish you could give me a little clue  
Are you all right?  
Is there something you want to say?  
Are you all right?  
Just tell me that you are ok  
Are you all right?  
Cause you took off without a word  
Are you all right?  
You flew away like a little bird  
Are you all right?  
Is there anything I can do?  
Are you all right?  
Cause I need to hear from U  
Are you all right?

Are you sleeping trough the night  
Do you have someone to hold you tight?  
Do you have someone to hang out with?  
Do you have someone to hug & kiss you?  
Hug & kiss U  
Hug & kiss U  
Are U all right?  
Are U all right?  
Are U all right?
