Don't wanna see you again or hold your hand
Cause you don't really love me you're not my man
You're not my man oh you're not my man
Go back to Greenville just go on back to Greenville
You scream and shout and you make a scene
When you open your mouth you never say what you
mean
Say what you mean oh say what you mean
Go back to Greenville just go on back to Greenville
You drink hard liquor you come on strong

You lose your temper someone looks at you wrong
Looks at you wrong oh looks at you wrong
Go back to Greenville just go on back to Greenville
Out all night playin in a band

Looking for a fight with a guitar in your hand
A guitar in your hand oh a guitar in your hand
Go back to Greenville just go on back to Greenville
Empty bottles and broken glass

Busted down doors and borrowed cash
Borrowed cash oh the borrowed cash
Go back to Greenville just go on back to Greenville
Looking for someone to save you
Looking for someone to rave about you
To rave about you oh to rave about you
Go back to Greenville just go on back to Greenville
