I think I lost it
Let me know if you come across it
Let me know if I let it fall
Along a back road somewhere
Money can't replace it
No memory can erase it
And I know I'm never gonna find
Another one to compare
Give me some love to fill me up

Give me some time give me some stuff
Give me a sign give me some kind of reason
Are you heavy enough to make me stay
I feel like I might blow away
I thought I was in heaven
But I was only dreamin
I think I lost it
Let me know if you come across it
Let me know if I let it fall
Along a back road somewhere
Money can't replace it
No memory can erase it
And I know I'm never gonna find
Another one to compare

SOLO

I just wanna live the life I please
I don't want no enemies
I don't want nothin if I have to fake it
Never take nothin don't belong to me

Everything's paid for nothing free

If I give my heart
Will you promise not to break it
I think I lost it
Let me know if you come across it
Let me know if I let it fall
Along a back road somewhere
Money can't replace it
No memory can erase it
And I know I'm never gonna find
Another one to compare
Money can't replace it
No memory can erase it
And I know I'm never gonna find
Another one to compare
