I lost my lover,
Come set me free,
Come fill me up,
With extacy,
Surround my heartbeat,
With your fingertips
Unbound my feet,
Untie my wrists,
Come into my world,
Of loneliness,
And wickedness,
And biterness,
I lost my love.

I'm suffering,
Take away the pain,
Unbruise my body,
Wash away the stains.
Annoint my head,
With your sweet kiss,
My joy is dead,
I long for bliss,
I long for knowledge,
Within my fear,
Undue my locker,
Undue my fear,
I'm suffering.

I lost my lover,
She set me free,
Come fill me up,
With extacy,
Surround my heartbeat,
With your fingertips,
Unbound my feet,
Untie my wrists,
Come into my world,
Of loneliness,
And wickedness,
And biterness,
Anoint my head,

With your sweet kiss,
My joy is dead,
I long for bliss
I long for knowledge,
Within my fear,
Undue my locker,
Undue my fear,
I'm suffering.

I'm suffering.

I'm suffering.

I'm suffering.
