Refrain:

Louisiana man with a style his own,  
Not like some other men I've known,  
With his cowboy boots and his hats he wore so well;  
Caught me eye on the very first day  
And I never will forget the way  
He played guitar and he sang just like an angel.

Thoughts of you flicker past,  
Goin' on down the road so fast,  
The trees and the bushes and the telephones poles fly  
by.  
I never seem to have the time,  
I'll just have to keep you on my mind,  
How I wish I could keep you by my side.

Refrain

Country man with a heart of gold,  
One more kiss before I hit the road,  
Hold me one more time before I go.  
Nights will be longer now  
But I'll get along somehow,  
I've learned how to do it all before.

Refrain

Sharp Cutting Wings (Song to a Poet) See file with  
chords!
