

Lucinda Moore "Praise Him"

Visit "[Praise Him](#)" on MotoLyrics.com

There's a Praise
In this house
Everybody dance
Before him
There's a Praise
In this house
I can feel him now

He's high and lifted up
His train fills the temple
He reigns upon the throne
He's God and God alone

There's a worship
In this house
Everybody bow
Before him
There's a worship
In this house
I can feel him now

He's high and lifted up
His train fills the temple
He reigns upon the throne
He's God and God alone

Praise him
Lift those hands
And praise him
Praise him
God is here

Jehovah
Jirah my provider
Jehovah, Nisse
God is with me
