Just a shakin' in my knees
Just a cold chill
Don't know what it is
Some call it a thrill
Just a lump in my throat
Just hot blood
Don't know what it is
Some call it love
Well, I saw you out in your car
You had the top down
You were drivin' real slow
Just a shakin' in my knees
Just a cold chill
Don't know what it is
Some call it a thrill
Just a lump in my throat
Just hot blood
Don't know what it is
Some call it love
Well, I saw you in the grocery store
Buyin' tomatoes for a casserole
Just a shakin' in my knees
Just a cold chill
Don't know what it is
Some call it a thrill
Just a lump in my throat
Just hot blood
Don't know what it is
Some call it love
Well, I saw you in the laundrymat
Washin' your clothes, gettin' all the dirt out
Just a shakin' in my knees
Just a cold chill
Don't know what it is
Some call it a thrill
Just a lump in my throat
Just hot blood
Don't know what it is
Some call it love
Well I saw you with your car broke down
Fixin' your flat with a tire iron
Just a shakin' in my knees

Just a cold chill
Don't know what it is
Some call it a thrill
Just a lump in my throat
Just hot blood
Don't know what it is
Some call it love
Just a shakin' in my knees
Just a cold chill
Just a lump in my throat
Just hot blood
