Gurf Morlix guitar

Donald Lindley drums  
Jim Lauderdale background vocals  
Skip Edwards keyboards  
Pat Quinn background vocals  
I drove my car in the middle of the night  
I just wanted to see you so bad  
The road was dark but the stars were bright  
I just wanted to see you so bad  
It didn't matter what my friends would say  
I was gonna see you anyway  
I just wanted to see you so bad  
I just wanted to see you so bad  
You were staying in a big hotel  
I just wanted to see you so bad  
I didn't know you very well  
I just wanted to see you so bad  
We'd always talked on the telephone  
But I'd never been with you all alone  
I just wanted to see you so bad  
I just wanted to see you so bad

SOLO

I got off on the seventh floor  
I just wanted to see you so bad  
I couldn't have asked for anything more  
I just wanted to see you so bad  
I saw your face so clear and bright  
I must have been crazy but it sure felt right  
I just wanted to see you so bad  
I just wanted to see you so bad  
I just wanted to see you so bad  
I just wanted to see you so bad

SOLO
