I keep drinkin' malted milk1, try'n to drive my blues
away
I keep drinkin' malted milk, try'n to drive my blues away
Baby, you just as welcome to my lovin', as the flowers
is in May

Malted milk, malted milk, keep rushin' to my head
Malted milk, malted milk, keep rushin' to my head
And I have a funny, funny feelin', and I'm talkin' all out
my head

Baby, fix me one more drink, and hug your daddy one
more time
Baby, fix me one more drink, and hug your daddy one
more time
Keep on stirrin' my malted milk mama, until I change
my mind

My door knob keeps on turnin', it must be spooks
around my bed
My door knob keeps on turnin', must be spooks around
my bed
I have a warm, old feelin', and the hair risin' on my
head
